### The Premises:

Flat above shop with entrance from the front from the shopping parade. Opposite Gillete corner on Syon Lane. Wasn't the smartest of rooms but ok for the purpose.

### The Lady:

Indian girl, About 5'5, in mid twenties, black hair, 32c boobs.

### The Story:

I was introduced to two ladies, Sara and Sonia. Sara was a european lady who looked quite mature so i decided on Sonia.

She entered the room yawning - didn't really seem into it and never really got into the session. Started with oral with condom, kept spitting on the carpet every other minute saying she doesn't like the taste of the condom! That put me right off. When i tried to touch her boobs she smacked my hand away - this made me lose my boner. So i asked her to lie down so i could get this ridiculous charade out of the way and head home. Tried having sex in mish but i never got my boner back - a first for me. Got dressed and left. She apparetnly works only Sundays so avoid this place that day.
