The Premises:

Her Place: Smart, clean detached house, on a small modern estate. Totally safe and discreet; parking on drive.

The Lady:

Jan is late 40's, very attractive, 34b-25-36, blond, slim and very sexy.

The Story:

I have visted Jan for about 10 years now and she never dissapoints. She is charming and witty and able to hold her own in any conversation. Today she was dressed in a lovely black and cream basque that just about kept her ample boobs in place

(and I am definitely a "boobs man"), a negligee and black stockings and high heels.

Jan is always immaculately presented and she expects her clients to be clean and fresh too.

I like to get the fee paid up front so that it does not get in the way of the fun. Jan led me through to the bedroom and she initiated real GFE french kissing which was intensely erotic. We quickly undressed each other and sank onto the bed enjoying the best OWO/BBJ I have ever had.

Jan has the ability to keep me going without me "shooting my bolt" to early. I returned the favour and gave Jan oral which she enjoyed to an genuine orgasm (definitly not faked). Jan has a fully shaved pussy which has lovely lips which I loved to lick. We then got back to more OWO which is my absolute favourite. Jan has beautiful and all natural boobs and loves to have her nipples squeezed

and nibbled.

After the best tit-wank I have ever had I could hold on no longer. Jan put on a condom for me in the sexiest way I have ever experienced using her mouth.

Starting with her on top to begin with she rode up and down on my cock whilst rubbing her boobs on my chest which again was the most fantastic and erotic experience.

I shuddered into a brilliant climax and shot my load finally with us in the missionary position. Jan wrapped her legs around me as she orasmed again.

The sex just gets better and better each time I see her. Jan was in no rush for me to leave and we

lay and chatted again for 10 minutes.

This is a brilliant and very sexy lady and she gives a great personal service that is excellent value for money.

Thank you Jan - absolutely fantastic!
