The Story:

Heaven on earth and curves to die for. busty and sexy and dammm they are two beautiful ladies. I met the girls they are really nice and friendly - put at ease straight away and the apartment was very comfortable also. Great English and a fantastic sense of humour. I was late arriving but they were really cool about it and they were really generous with their time as I overstayed much longer than expected. Overall, it is a wonderful threesome experience not to be missed - a they are really beautiful and the price is fantastic, also all service was delivery with smile on their face I will definitely be back for more and more!! :-)
