The Premises:

Flat in the Clifton area of Bristol, easy enough to find, safe, but parking in the area can be a pain, ncp car park probably best bet and is only a short walk away. Flat is ok, room was warm and clean as was the bathroom.

The Lady:

Quite a pretty lady, she says slim, but I would say thin, a little too thin for me to be honest but her sharp wit and chatty personality made up for it.

The Story:

Started off with an ok massage, then onto some good oral, (owo, after giving my cock a good inspection) sex in a couple of positions (covered) then back to some oral and hand job to finish. Well I say finish, on this occasion I didn't, happens sometimes, age thing, and not a reflection on this lady. Can I recommend? well yes, I like a bit more meat on the bone so to speak, but that's my personal choice, she did all I asked and she does give very good oral. Didn't quite click with JessieJ as I do with some ladies so probably not a repeat visit from me.
