The Story:

Without doubt the best ever GFE I've had!! Porsha immediately put me at ease and went to great lengths throughout to find out exactly what I liked and gave me that - and so much more that I was literally left speechless and several hours later & I've still not recovered!! For me this is what makes Porsha different in that it was only by ensuring she knew what i wanted could she completely and utterly spoil me - to the point I actually felt guilty for having my every wish granted immediately - with passion and intimacy!! She is a remarkable lady - beautiful, intelligent, thoughtful, intuitive, genuine and so much more. It's very rare to find someone who does so much to make sure it's an enjoyable experience, but part of that may have been because I treated her with the respect she deserves.
