The Lady:

Both are as their web sites describe. Sherri is petite size 8/10 Gina slightly larger 10/12. Both well spoken and entertaining.

The Story:

Sherri and Gina, I have had the pleasure of meeting with these two ladies individually, both are equally delightful passionate, sexy women and great fun to be with.

So when offered the chance of being with both at the same time it was too good to miss. We all met at Gina's house where I was, as is usual, asked if I wanted a drink. We spent a few minutes getting reacquainted before Gina led us up to the bedroom. A short time spent in kissing, fondling, undressing and being undressed Sherri lay back on the bed while Gina bent over with her head between her legs as I stroked Gina from behind. Gina and I changed position. They then put me down on the bed and proceeded to take it in turns to take me in their mouth or sit over my face, heaven. Gina decided she was going to be first to have me, on with the condom, with her on top she worked herself to orgasm, before I climaxed she slid off changed condom and guided me into Sherri doggy style as she whispered in my ear (not for publication). It was not long before Sherri and I both came together after which we all lay on the bed calming down with a kisses and cuddles. A return visit is definitely on the cards.

Either of these ladies is worth a visit one on one but both together OH MY GOD. Just treat them well and it will be returned.
