### The Premises:

I always end up spending a fortune in John Lewis when I visit MK. Location is good and the reception staff are great.

### The Lady:

I could not decide who to see so I decided to take on both. Bloody hell, what a 45 minutes with two lovely ladies. East meets North West. Very different personalities but great bodies and great fun to be with. (It always seems so rude at a two-girl as I only have one of "things" and they have two. It means I have to concentrate to not leave one out.)

### The Story:

Fantastic afternoon with two of the nicest girls you could ever meet. (With or without their kits off.) Having said that all the girls here are very nice and some are nicer than others. Lots of kissing, sucking and massaging made for a good time. I enjoyed myself and I hope they did too. (I can never tell but they all make a good fist of it. Pixie is a live wire and could drain any man. Scarlet is delicious and with her Wigan accent could make me cum just by talking to me. As it happens she did make me cum by using her vocal cords. Both fantastically proportioned, skilled and great to be with. I'll be fine if I can just keep out of John Lewis... I think another meeting is on the cards. Thanks P and S, S and P and the other girls and maid. Soon.
