The Lady:

Older than the age on her profile, in her 30's but still looks lovely, very soft smooth skin, small body, nice round ass.

The Story:

Not many girls can actually do deep-throat oral face fucking, But i have been reading feedback of Leila and until a mate of mine actually visited Leila, did i take a chance.

I particular loved whipped cream with deep-throat-ing her, i was able to fuck her mouth for an hour none stop, and came loads and i swear she swallowed the lot.

she is a very naughty submissive escort, who knows how to please a guy.

the remaining time i have i allowed her to lick my ass, which was amazing, and i once i put my dick in your wet pussy, i came again too quickly. damn i wish i had more time. ill be back
