The Lady:

As described on website only better, lovely ass just made for spanking!! lovely piercings too, I'll let you find out where they are for yourself, nipples were very responsive and were very erect.....

The Story:

Arrived in good time and got straight down to business.

Lovely girl with lovely tight pussy that she loved getting played with, I've had better oral action but didn't complain about her skills either, great sex though, only thing was no kissing which I missed.

Will I go back again, yes for sure.....
