Details of Service Provider:

Profile Name: Tops Massage

The Premises:

Tops Massage is a pretty basic (to put it mildly) parlour. The entrance is pretty public, up a flight of steel stairs, but there was no one around when I went up so no problem there.

The rooms are very bare - just a bed (cleanish) and a with a fairly bright ceiling light

The Lady:

Emma is a Romanian girl of around 19 or so. Petite, dark skinned, long black hair, very pretty face and lovely slim fit figure with lovely good sized tits.

The Story:

This is my second visit to Tops to see Emma. She's a lovely girl - very accommodating and happy to let you cuddle up close and kiss her on the face (which I've been refused by parlour girls before) although no kissing on the lips.

Nothing too adventurous, just a good covered BJ followed by straight sex, but it was a good session with a responsive and very sexy girl. Excellent value for ?40.

Two downsides, firstly her English is non-existent, which does mean you just have to get on with the business, no getting to know her. Secondly, Tops itself is a dump. No attempt to make the atmosphere romantic. It's all to Emma's credit that her sexiness made this such an enjoyable punt.
