The Premises:

A very tidy house in a nice and discreet location about 5 minutes walk from Ipswich Rail Station. I felt safe and secure throughout.

The Lady:

19 years old attractive young brunnette from Eastern Europe with hair just below her shoulders. Petite and slim figure but not skinny. Average size breasts with a fit body to match.

The Story:

I found Megan to be very sensitive and responsive which made the time with her worth the while. Started with french kissing and massage which put me at ease straight away.

Followed by OWO which was really good as she had great oral skills and seemed to enjoy it. Plenty of eye contact, kissing and affectionate touching from her which reflected the GFE experience. Has very sensitive on her body, she was clearly aroused and sexually excited just by me touching and playing with her. Great teen nipples which were very responsive and a tight pussy that got very wet and felt great when inside, it just got better when she had a orgasim, yes she actually did can be a rare one to find!

Overall, she provided a top class service where we both got pleasure from it. Enjoys what she does and seems to love it! Left this amazing young girl with a huge smile on my face and with an unforgettable sexual experience.
