The Premises:

I have nothing further to add that has not been said already about Debbies. It is an institution!

The Lady:

Jenny has a fantastic tanned body, nice firm tits and ass for a mature lady.

I see her as the girl next door with a cheeky smile and that you dream about shagging.

The Story:

For what ever reason Jenny only now works on a Sunday so it can be difficult to get to see her. After several attempts I managed to get there last Sunday and boy what an experience! Jenny walked into the bedroom where I was standing in a state of undress, she dropped to her knees took my cock in her mouth and proceeded to give me one of the best blow jobs I have ever had. Next thing I knew we were both on the bed with her on top, I began to suck her left tit and next thing I knew she was squirting and cumming all over the place.

I finished off banging her from behind, to all sorts of screams.

This girl loves her sex!! She cums highly recommended and you will not be disappointed! Must try and not make it so long for my next visit.
