The Premises:

Town house in central Milton Keynes. Discreet location near shops with plenty of parking. Clean and tidy place, nicely decorated.

The Lady:

Pixie is 100% pure pleasure. She's a cheeky, lively bundle of fun. She's blonde, about 5'6", cute pretty face with eyes that really do sparkle. She's slim, but nicely shaped with good sized breasts, a neat and tidy pussy, and beautiful soft blemish-free skin. In my book - an absolute stunner.

The Story:

Pixie bounced into the room in a swimsuit (beach day, apparantly). She gave me a welcoming kiss, and before I knew it my boxers were on the floor and my cock was standing to attention in her hand. She told me to get on the bed and treated me to a teasing strip. Wow! (see description above.) Then onto the bed, her mouth was straight on my cock. Pixie sucks cock whilst looking at you with a mischievous "naughty schoolgirl" expression. The sight and sense combo is mind-blowingly good. She loves sucking cock and was on and off it for 15 mins or so, with small breaks to massage my cock with her breasts. I then returned the compliment, licking her gorgeous pussy till she came, forcing her pussy hard against my tongue. She then went to cowgirl, pinning my arms back whilst she teased me and scratched me and massaged my balls. I finished off on top, then flopped off for a nice chat. Lovely girl. Thank-you Pixie

One regret - I wish I'd shot my load in her mouth. But hopefully that's for next time.....
