The Lady:

Louise is every bit as good as her photos. Lovely figure and hair. Arse to die for and wonderful breasts. Gorgeous looking with a mischievous smile. She appeared in a very attractive costume with holes in tempting places but it was her lovely face and impish smile that drew my eyes.

The Story:

I knew Louise well a few years ago when she worked in Maidenhead and Guildford. She's just returned from a break of a few years and I was delighted to meet up with her again. She is every bit as lovely as I remembered indeed is just a bit more curvy than her former petite body and lovelier for it. She has not lost any of her roguish sense of humour and fun.

We had a wonderful time recounting memories and reminding each other of our respective 'turn-ons'. The hour flew by as we spent much time exploring each other with our tongues and reminding ourselves how good sex was in various positions.

Louise has wonderful skills with her fingers and tongue and bags of energy. She wants to please and enjoy sex herself, both were achieved.

We talked a bit about naughty and fun plans for our next visit and, as I'm not local, I'm planning when I can next see her.

Louise is a wonderful woman, treat her well and the rewards will be heavenly.
