The Premises:

The ever good GFEs that has been much described before, you can read mine and others previous reports for a fuller description, enough to say it's still an excellent, safe, clean establishment packed full of lovely ladies.

The Lady:

Brooke is a lovely fairly tall blonde lady who looks good in her photos on the website and truly sensational when you get to meet her! She has a lovely face with a golden smile, great long blond hair, a very fit slim body, a lovely round peachy bum, a great pair of big tits (I'd say about 34DD), a fantastic pair of smooth legs and a delightful clean tasting juicy pussy. As well as this she is a really nice to chat to person, in short a really good all round package in looks and personality.

The Story:

I'd seen her images on the website and rung ahead where the helpful gent on reception pencilled me in for an appointment. I arrived a few minutes early and Brooke met me straight away in reception and whisked me up the famous GFE stairs and wow as soon as I saw her I'd new I'd made a good choice and this was going to be good! As well as her looks (all barely contained in a tight fitting outfit that left little to the imagination) she was smiling and cheery (always a good sign I have found). Anyway once in the room I immediately took a shower while we chattered and discussed services. I asked if she was up for the ?100 a level service which she told me she offers at discretion though thought I was a bit too big for her so I went for the ?65 GFE experience. We started by massaging each other that included lots of giggling by both of us that slowly got more sensuous until I was head down between her legs rimming her lovely bum and licking her pussy. This then evolved into a 69 with her on top with some great OWO on me as I continued under her licking and probing her lovely lower regions. Then she applied a condom and got on top of me in cowgirl and thrust up and down while I rubbed and caressed her fantastic body including her marvellous tits. Then we moved around to mish and things got even more enjoyable with some great dirty talk and lots of noise from both of us while vigorously shagging away. After several minutes of this came a climax of noise from the both of us and I exploded several great spurts of cum into the condom in her tight juicy pussy. We then came to a stop in each other's arms laughing and smiling.

We then carefully disengaged cleaned up and had another chat while dressing until with time up we made our way back down stairs where I thanked her kissed her goodbye and made my way out.

So to sum up the usually fantastic GFEs, a sexy lovely nice natured stunner of a lady, an exquisitely enjoyable time had, Post punt grin all over my face!!!
