The Story:

Fantastic! the only way I can describe this visit. This girl has everything, looks, body, hair down to her waist, does a fantastic massage (dont let her know you are tickling though she will tease the hell out of you) she does a massage, then a body to body massage, kisses you all over and then turns you over, you cant resist getting excited as she looks down on you and continues to tease. does OWO to completion for an extra 20 quid, anal is an extra 50 quid but she wont do it the first time she meets you, excellent I will be back, treat her well guys
