### The Premises:

Sat in the lounge with the girls and had a drink and a chat, they made me feel welcome and put me at ease. I went for a shower which didn't work great but did the job and then chose Eva to see to my needs and went to a room.

### The Lady:

A beautiful 36 y/o Ukrainian brunette, slim with a gorgeous pair of natural tits with very suckable nipples and a lovely pair of legs and smooth soft skin, Chatty with a lovely smile.

### The Story:

Started with a back massage and then turned over, she kissed and then worked down to my cock for OWO and a good licking of my shaved balls. We swapped places and I sucked on her tits and teased her nipples and then went down on her and she moaned and shuddered. On with the condom and slid up her pussy in the missionary position and then doggy which finished me off. We chatted and I watched her shower.
