The Lady:

What more can I say that hasn't been said before a beautiful BBW woman that knows what she and her punters want.....

The Story:

A last minute night off saw me with time to kill so called Bibi and was surprised she was free. We agreed on doing a little roleplay for the first part of my visit which was great fun, then we rested and chatted and caught up as its been a while since we saw each other then Bibi demanded a fuck so off we went again finishing with a lovely sloppy wet blow job and me exploding a second load all over her fantastic breasts...

Now that she has gone full time she is a very busy girl but well worth the visit currently trying to talk her into doing a Leeds party :-)
