The Premises:

Lisa was working from a budget hotel in Chingford, lots of free parking in nearby supermarket.

The Lady:

Lisa is very pretty with a perfect slim body, looks like the typical girls you see walking around the City, very friendly with a terrific attitude.

The Story:

This was my second visit to Lisa and it was as good as the first, she is very easy going and you tend to forget that it is a paid encounter, she is up for most things and kisses like a long lost girlfriend, she is new to the business so try to see her before she becomes jaded.
