The Premises:

A brand new place in Nottingham, so very clean and tidy. All the rooms have their own showers and changing areas and are kept warm.

The Lady:

Abi is a petite girl in her early twenties. I would guess at a size 6 to 8. She is a brunette with a lovely slim figure.

The Story:

This was my second visit to this establishment and I decided to have a massage with Abi this time as I had seen Holly on the previous occasion. In the room Abi was a pleasure to be with as she seemed to be able to chat endlessly and put me at ease straight away. Her massage skills were fine and I do believe she is studying for her qualifications. But when it came to teasing and pleasing, this girl took things to a whole new level. I have never had such an incredible finish to a massage as this girl gave. Her mix of slow and fast, soft and firm, plus teasing talk and the use of her feet too brought me to possibly the best climax in years. Don't take my word for it just come and see for yourself. Definitely eleven out of ten from me. I believe she works Thursdays too so I think I feel another trip coming on.
