The Premises:

Well kept house. It.s been here many years now run by former wg Alison. It.s always nice to see her

The Lady:

Classy shapely lady wearing purple camisole top with stockings and suspenders, Probably size 12 with decent sized tits. She appears to be in her late 30,s but refuses give her real age (not that it matters-it's the quality that counts)

The Story:

Stood by bed and enjoyed kissing and holding her tight, legs rubbing on her fanny. This lasted a little while before I lay on the bed and in no time she was sucking my already hard cock(owo). She seemed to be thoroughly enjoying this (as I was) as I was playing with her tits and suspender belt. Enjoyed a cuddle and more kissing before positioning ourselves in 69 position. She resumed sucking my cock and playing with my balls, also licking them, mmmm. Of course I was teasing her clit with my tongue and getting the right response that encouraged me to continue until she came. Then more cock sucking followed while she fingered my arsehole. All vg. Then on with the raincoat and she mounted me with sheer gusto and would not stop until I shot my load in her. I seem to remember there was porn on the tv in the background but did not watch it for one second- thats how much I was concentrating on Sam and what she was doing to me! Truly one of the best sex sessions I have had and what a woman. Shame there are not more like her. Thanks Sam, I will be back for more
