The Premises:

A's in MK near to Central MK. Good and good facilities.

The Lady:

Young, petite and perfect chest development. Very small and very soft but a bit too young (physical and emotional) for me as it made me feel like a DOM.

The Story:

I can't help thinking Avaline would be better off working at Ego in MK. She does not DFK and was very regimented in her delivery. A nice lady and a great body but when you have experienced some of the others at Annabellas she is not up there with the professional and experienced that are on offer. I wish her well but I won't be back. (Maybe it was me that made her stand-offish or the language which is her prerogative but I don't think she is a patch on the stars like Pixie, Sarah and Scarlet, to name but three.)
