The Premises:

Min Min works out of a nice place near Edgware Road. I needed to buzz in twice as there is a secured gate, followed by another buzzer before I could get into her building.

The Lady:

Min Min is a tiny, extremely petite Thai girl. She is very sexy and I looked forward to having some fun with her!

The Story:

I asked the agency guy who their naughtiest girl was and they recommended both Shadow and Min Min. I've seen Shadow a few times before with A-Class and can definitely back this up, but Min Min was just as good!

Min Min provided excellent deep throat, CIM, and then a second round full of hard sex and anal which she seemed to love.

Finished with some watersports in which I drank her golden juices, and left her place in a great mood!
