The Lady:

As per website. Beautiful skin. Just the most amazing lovely bum in the history of bums. Slim toned body. Small breasts but they are perfect in their smallness. Belly pierce. All round super sexy girl. I would be proud to have this girl on my arm anywhere. And she has this Spanish accent that quite honestly could turn you on by itself. It is captivating.

The Story:

Second time seeing Roxy. This time paid an extra ?20 for kissing, which was just about worth it. I find this girl very, very sexy. She is just so sweet and nice. That accent melts me in a major way. Might just be my luck, but she responds to me. The sort of girl I would love to curl up to for hours. The details were I gave her a massage then oral, she returned the favour (with), sex in mish then doggy. God what a bum. Came very hard, she changed and left a bit early, but could not hold that against her because she is so damn lovely.
