The Story:

I must of seen Lara now about a dozen times...

She is very welcoming and a great kisser! She loves to wear Red lipstick which is a great turn on for me - a word of advice guys take her some flowers and she will melt in your arms!!

She loves to give oral and recieve - she is well groomed and its a lovely feeling going down on her and listening to her groans.

She is a very horny girl so sometimes you may be lucky to come twice!

The rest i can't discuss too much as the bedroom is where it shold stay...

But for those who read this report - she is a Fantastic working girl who you will fall in love with. I

have been back to see her so many times and she remembers every last time i been to visit her.

Put her on your to do list guys and be glad you met a LEGEND!!

Would i visit again?... Hell yeah!! I have lost count how many times i have visited her!... Just remember she loves flowers and get ready to have your face snogged off.

Truely an Awesome girl.
