The Premises:

A very nice house at the end of a cul-de-sac so very discreet. The bedroom was huge and very nicely decorated with a big bed and large sofa. Very tasteful and very clean.

The Lady:

What can I say? Hollie is genuinely one of the most attractive women I have seen in a long while. When she came to the door in a bra and knickers I had to look twice. The girl is model quality from head to toe.

She is 22. She is very slim, with long, long legs but nicely rounded hips, a pert rounded bum and enormous (34GG I think) natural breasts. You really have to see them to appreciate them. She has shoulder length brown hair with blond highlights and a stunning face. She has a lovely tan, not overdone, just right.

If this all sounds unlikely, trust me, it's all true. I challenge you to find a better looking girl in Wales.

The Story:

Hollie is a very friendly, very accommodating and very polite young lady. I showered and waited for her to heat up some oil for a massage. I am sure it was a very good massage but all I could think about was getting her undressed and savouring that incredible body. Getting her to take her bra off and seeing those breasts for the first time will live in my memory for a good while.

There's no need to describe what happened, but Hollie caters for most tastes. After it was over we chatted for a bit and then I left with a huge smile on my face.

Will I be back? Oh yes.
