The Premises:

Basement flat,nice quiet area mainly residential rd but limited 2 bays parking both were both occupied,took chance parked on single yellow line,hoping no over zealous wardens around for my short 30 min appointment should be ok,but It was a close call,as I fancied popping into the excellent Daniellas cafe for Cappuccino after my visit to HoD2 on leaving saw a warden looking at my tax disc,phew close call,drove away no ?130 PCN issued,thank fuck! ,much worse in Sken restricts my visits to after 7pm,my advice is not to come by car either of HoD's two London flat's,use the fairly nearby tube.It's such a shame the HoD2 Euston flat crashed & burned,I personally would've preferred a different location,with more pay display parking available,I also hate the outside steps to get to the entrance ,not to mention the rubbish shower(are you reading this mr Divine?),I spend a great deal of my expendable income every month visiting the lovely girls in your various establishments Ego /Annabellas"no complaints',if you don't mind driving to Mk!

The Lady:

Ameera is a beautiful Anglo/Indian girl, one of the 'rare' new crop similarly described recruits of Indian girls,now working for HoD's vast empire,having only read her profile(only ow no Fk),I looked forward with excitement to my first real Indian girl experience.light olive skin long slightly wavy with light highlights ,yeah probably 5'3.size 8 pert 34A boobs very pretty face,nice smooth jaw line,looks a picture of dainty innocence,kinda seemed out of place in this place of sin'but who am I to judge',just see it as a contractual 30 min visit with a willing girl

The Story:

: I came through the lounge area where Ameera wearing nice cocktail dress sitting drinking coffee,she got up very polite said Hi,Amy said I could go straight through to the back bedroom with the Marilyn Monroe pictures,probably the nicer bedroom,remember Sadie saying last time I saw her there,not much to choose from either of two rooms,unlike Sken where the bigger front room with en-suite is easily the better,but anyway this is Maida Vale,rooms nicely laid out generous double bed,with small side table where Amy put my cuppa with 2 glasses,next to my cooled small Brut Cava prestige wine.Ameera took off her nice cocktail dress just wearing matching bra and panties,I'd

already undressed sitting on the bed sipping my tea, slipped my JessyJ cd into the player setting the mood 'works for me', not enough room for a lap-dance 'oh well' So asked Ameera to open the wine, pour out to toast the next 30 mins adult fun 'cheers' she liked my choice, examined the label, you can buy from M&S.

So bra off can I suck my very cherry flavoured lube (Sally/Sadies fave), off her very pert boobs, she said ok and put some on her lush darker areolae, sucked left then right fantastic!, although her profile, only does oral with condom, would have loved some lube licked off my glans penis 'bell-end', you have to respect the girls boundaries, asked "would you like blow job, rolled a condom over the length of my hardening penis and went about the job of sucking, while I decadently sipped my wine, I was ready after few mins, so asked to enter her slowly to savour the moment my first fuck with an Indian girl, felt brilliant beautiful! moments she let herself go energetic cowgirl, said she wanted me to cum, don't worry I'm tantric get multiple orgasms without ejaculation, did you feel my left leg shudder, shortly after I entered you was 2nd orgasm, it's a technique that I've perfected, it's all to do with the right connection it's in the mind, sure I do cum, but in my own time reliving the moment.. she signed my souvenir wine bottle Amira, the correct way to spell her name, not Ameera on website, ok it's only a working name, doesn't matter

Ameera is a fantastic natural London Anglo/Indian girl perfect toned body, Other misguided girls that are compelled to pump up their boobs to cartoon proportions 'HH' for fucks sake it's not natural, have had boob jobs 'very few girls get it right DD is probably perfect maximum size but only if their frames can support the extra silicone also tone their bodies ,

On the way out I had quick chat with Scarlet who was sat eating in the lounge the next punter was already on the way then it was out of the door skipping up the dodgy outside steps to the cafe, relax with Cappuccino, back to the normal world outside, narrowly avoiding a traffic wardens ticket, so for this reason I would rather see Ameera/Amira in Annabellas Mk, it's much easier to park cheaply though extra ?20 petrol money, needed so costs ?80 total.

Ameera/Amira I hope you enjoy reading my field report, as much as I enjoyed writing & reliving the short time we spent, I will def come see you regularly in Annabellas v soon. Don't ever change babe you're my perfect Anglo/Indian girl, Amira
All my love Tindog/A?? xxx
