The Lady:

Nicole was running late, having come down from Liverpool but got on the wrong tube in London.

We started 10 mins late but that didn't matter. What a gorgeous, fit, smiley girl, topped off the lovely Scouse accent. She's mixed race and soooo pretty!

The Story:

She started off with a massage which was actually nice and firm. Then I commented that her reviews says she likes rimming! My kinda girl! Her soft tongue flicking away soon got me going and she started sucking me from behind. Heaven!

I turned around and we did a little bit of 69, back to some kissing, and then a good old fashioned BJ with me standing on the bed against the wall!

I asked her if she minded if I put on my home-made cock ring (a piece of string tied around the base of my cock. No problem she said and she soon had her mouth around that.

Pretty soon, I thought this young lady will be running late as we started late so it was time to check out her bed skills. I asked about doggy but being polite, we went for mish. I think the size of my engorged todge was ringing alarm bells in her head. Can't say I blame her! She took me slowly and deeply and I pumped away nice and gently, just enjoying the moment.

She gave me a quick kiss on the way out and said 'write me a review!' I don't normally as I don't really have the time but this young lady is definitely worth a visit and worth the time to write about. Go see her, she's worth every penny and more!

Thanks Nicole! xxxxxx
