### The Premises:

As usual, there is always a warm friendly welcome at Debbies, always putting you at ease as soon as you walk through the door (a discreet back door).

### The Lady:

Absolutely beautiful. A very pretty face with stunning blue eyes and a beautiful and friendly smile. Chloe is very friendly and very easy to get on with. Even without the obvious activities, Chloe is a smashing girl and great company. In terms of her body, well, where do I start?!! An amazing body, from head to toe, that I just couldn't get enough of kissing and licking and running my hands, eyes and tongue all over!

### The Story:

Really great time! Plenty of kissing, even before I managed to get my clothes off. Followed by a very intimate shower where we spent some time getting to know each other's body. After kissing and licking her beautiful and perfect and delicious pussy, Chloe announced that she couldn't wait to get back to bed to open her legs wide and let me continue - an offer that I couldn't refuse! After writhing around the bed with pleasure, she repaid my efforts - and wow! She promised that next time she will have to sit on my face - an experience that I thoroughly look forward to! Thanks Chloe, a great time, and I really look forward to visiting you again.
