The Premises:

Always super friendly and efficient. The lovely Rhianna dealt with my booking and opened the door to me (I shagged her ages ago when I was working my way through the entire HOD stable. Since then, she seems just to work as the HOD receptionist - maybe she's retired from escorting. It's really sexy that I've had sex with her and now she is the receptionist. I don't know why that is. Maybe it's that whole 'sexy secretary' thing) Then I bumped into Olga in the reception area (statuesque, piercing blue 'I think - eyes, super bright and super sexy. Goes like a train. That's my review from our meeting, which happened about a month ago). 'Ah?you are the funny one,' she said when she saw me. Grrr! I'm definitely coming back for more. (While I am reviewing HOD ladies via parentheses, I did see Lauren at HOD 2 the other week. Not really my cup of tea). There was much banter between the girls about International Women's day. Did I do right paying a woman to have sex with me on this auspicious day? Is selling your body for sex empowering, and consequently should be something that every woman does one day a year? Er?probably not.

The Lady:

Ella is a touch more curvy now, I reckon, but her breasts are stunning and she is really pretty

The Story:

I think I am allowed to review Ella again, as there is a gap of several years since we last met. She said she recognized me 'I think she actually did. Ella must be a legend on the London punting scene. She has loads of reviews, invariably positive. She is definitely a better shag now than she was when I last saw her. I found her a little bit bossy before, a little bit detached. Now she just seems really, really good at being a hooker 'she's rather funny and very engaging. And she took my 'not insubstantial 'cock close to the back of her throat. Yay! And she genuinely loves looking at herself being shagged in the mirror. Double yay! And she agreed to have a shower with me next time, which i am really looking forward to.

That's all I have to say 'she's a trooper.
