The Premises:

Ego massage is as reported before. Very safe & clean with plenty of free parking. Showers a bit crap but they are hot and do the job.

The Lady:

Ashleigh is stunning, about 5'8" slim with brunette hair and very tastefully enhanced breasts (if it wasn't for the small scars underneath I wouldn't have known)

The Story:

I have met Ashleigh about 5 times over the last few months. Not sure why I hadn't seen her sooner but I may have been swayed by a couple of poor reports early on - I am sorry but those guys must be idiots - Ashleigh is lovely.

Started face down on the table and Ashleigh gave me a gentle massage followed by B2B. I then returned the favour and massaged her for a while which Ashleigh seemed to really enjoy. Then it was back to me and one of the most pleasurable happy endings with just the right amount of teasing and plenty of eye contact.

I know that writing this will make it even harder to get an appointment but it wouldn't be fair to Ashleigh not to let others know about her charms

And yes of course I will be returning
