#### The Premises:

Clean & discreet. Suits the purpose.

## The Lady:

Mid to late twenties. Drop dead gorgeous leggy bleached blonde with matching tattoos. Friendly and an all over lovely tan.

### The Story:

I originally did a long report on this lady which was a bit of a rant but I will keep it brief. There was nothing wrong with Jades service and you would be more than chuffed being seen out with this beauty, let alone the chance of shagging her but its her attitude and thoughts on punters that I did not like. Maybe it was my mistake for starting a conversation but once she started she never stopped and the more offensive she got. Clearly loves the money and attention but doesnt like us!

The service was OW and sex which was ok and non rushed, it was just her attitude that stunk. Sorry.
