### The Premises:

My hotel room at Sheraton Knightsbridge.

### The Lady:

Suse has beautiful legs and a small tiny waist. She is 5.6 tall has a lean athletic build, an awesome ass and a beautiful face. All on a girl that delivers the goods. Surely a "Don't miss".

### The Story:

Suse came to my hotel dressed to kill very sexy and elegant.

She gave me a hello French ?Kiss to hit the things up and relax me as I was a bit nervous,very clever girl!

We sat and chatted for a bit then we got undressed and she gave me a very nice massage. The massage turned into mutual caressing and cuddling. I absolutely LOVE her firm natural breasts! I had to suck on them a bit before moving south. And south I moved. Dining at the Y between such long beautiful legs was a treat to be sure? I don't think she was acting when she was grabbing the back of my head and pulling me in as she arched in convulsions. Suse admitted to this being her favourite part of the job. She then returned me the favour started a long and slow OWO making me so excited that I couldn't hold and ejaculate all over her face!

We clean up, drink a glass of wine and chat for a bit, soon she start to kiss me again and working her fabulous tongue all over my balls and the edge of my cock up and down making me very hard again; I made her stop because I wanted to do her doggie style. She stay on her 4 and I start to strong pumping her pussy and looking at that beautiful around ass? I put my finger inside her ass in the same time my cock on her hot pussy what seems she enjoy a lot for the noises she was doing and asking me for more!

We moved from that to missionary for my finish. We had some cuddle time and chat time afterwards. All-in-all, a great time and a great VFM.

I will see her again
