The Lady:

Dakota is very beautiful and very, very busty. She has the largest and breasts I have ever seen, let alone touched. They are natural too, soft and magnificent. Dakota is also tall with a lovely booty tapering down to some sexy thighs and small petite sexy feet. When I met her, she was fresh from the shower, and wearing very sexy underwear, bright red lipstick and basically looked like your every fantasy embodied in a single human being.

The Story:

I met Dakota at her place and she greeted me warmly made me feel comfortable right from the start. She was an excellent host all the way through the evening. When we got down to business, I had one of the most lovely experiences imaginable. She was very generous and eagerly met my many requests and we had a huge amount of fun together.

I stayed for a couple of hours and in between sessions Dakota was a very chatty, affectionate and pleasant to be with.
