The Premises:

On the Sheffield scene GFE used to be viewed as upmarket now many new places are offering a good service in decent surrounds at half the price which as a oap I prefer . But decided on a change and Layla looked good on website

In my opinion GFE has stood still whilst others have caught up and offer a good low cost service

The Lady:

Attractive dark hair Indian lady nice smile but not much conversation

The Story:

Started with quick massage turned over and just put the condom on with no effort to get any arousal , didnt get the air out of condom so had to replace it . Average bj and sex
