### The Premises:

Normal HOD. Great and I got the BIG room. Maid is so friendly and kind she makes the visits here so good and relaxed. Give her a pay rise!

### The Lady:

Zelda was a one-off special appointment imported for me and I am so glad I got her. Great body and beautiful tits, sorry breasts. Really good fun on a cold morning in March! Just the perfect body but personality is a bit suspect as she likes to bite, tie you up and suck. A lovely lady.

### The Story:

Had a great hour and if I could just hold back enough I'd enjoy it even more. I may need 90 minutes next time. In my mind, I decided to deduct ?10 every time she was "naughty". At the end of the hour she owed me ?130. A nice balance. I would defiantly see her again and I hope I will. One slight worry... half-way through she decided I needed my hair cutting and pulled out great clumps of nasal hair. It hurts! A great hour with a great lady who has an almost perfect body and attitude. PS She looked so good in black underwear and maybe she have the same in white next time. Yummy.
