The Story:

Already from the first moment I liked what I saw, as Beatrice was very accommodating and extremely polite. She just arrived to London but her English is not bad at all, so we managed to exchange a few words before getting to action. Not only she is a very sexy girl but she also seemed a very honest and genuine girl with a friendly and interesting personality.

I asked her for a little role play, so she had to seduce me. Wow, was she good at it. She started with a few soft kisses on my neck, I could feel her seductive perfume before feeling her soft lips on mine. I am struggling to remember a better kisser than her, the DFK was absolutely stunning and I couldn't have enough.

When we finally split up, she started to slowly undress herself showing her perfect boobs and her amazing body in all it's beauty. By the time she reached into my pants I was almost done. :)

Well, finding my rock hard growing, she started a teasing OWO, which felt amazing and which i only stopped out of fear to not finish to quick.

Greedy me I had to have her in all the ways, I just couldn't get enough of this sexy girl and she also seemed to have a good time with me.

Gentleman, treat her well this girl is a total gem!
