### The Story:

She responded to my texts with no problem, but never answered the phone. I arranged to meet her at 14:30. When I was outside the hotel, she sent the room number to me. I walked in and asked at reception for her, giving her name and room number. They rang her to tell her I was downstairs. She didn't answer. The receptionist said no one was in that room! I walked out and texted her again. She told me to just walk in and go straight upstairs. I explained the receptionist wouldn't let me do that, and she would have to answer the phone when the receptionist rang. She then replied saying I told you just to walk upstairs, and I don't want any trouble with the hotel so we'd better leave it. Fortunately, as I never got to meet her, no cash was exchanged. Oh well!
