The Premises:

The place is in a quite upmarket residential area , very quiet and with ease of parking .
The premises where spotlessly clean , very nice spacious room elegantly furnished , well heated and above all , a very relaxing atmosphere . In the bathroom a superb shower with plenty of clean large towels . Exactly how it should be .

The Lady:

Bella is a lovely , smiling , friendly woman .
Her beauty is brehtaking....firm and supple body , athletic , and with all the curves in the right place . Stupendous breasts matched by an even better bum !
My kind of dream woman .

The Story:

We had a VIP hour during which she showed me that what she does is a real vocation .
Proper french kissing , toys , oral without , the best 69 ever , different positions , clearly enjoying the act as much as me , no kidding .
One hour went like 10 minutes .
Money well spent ? Definitely .
