The Lady:

Very pretty with superb figure - though partly going on pictures which appeared pretty accurate as bedroom very dark.

The Story:

I certainly enjoyed being with Ariya simply because she is so attractive with a strong and pretty face and a compact body that many would die for including superb breasts which from my examination appeared natural but can't be certain. Only saw her really clearly in the bathroom when I was getting a shower.

I suspect Ariya isn't that keen on half hour meets. That wouldn't explain the dark room (she doesn't like looking up into the ceiling light) but would explain pushing to give a so so back massage and then saying not enough time for reverse oral.

So while I enjoyed the intimacy and the sex and we got more chatty as we went on, I would have liked my wants to be more to the forefront in a repeat meet and from other reports that are very positive, I can only think you get the best of this lady from the full hour.

She might like to get a bedside lamp though as punters will want to see as much of her body as they can.
