The Story:

We started off chatting for a few minutes till she started her lovely massage. Turning me over she gave me a list of options I opted for owo..... fantastic to say the least she then slipped on a condom and began to ride me quickly switching to doggie. I asked about the strap on she mentioned. As I had never done it I thought why not. I let her do me doggie with the strap on..... guys dont be homophobic try it. ... I had the hardest cock I have ever had. I finished off with me wanking off as she did me.....

Will defo go try it again.

Fantastic
