### The Story:

This report is a little late but needs writing.

Oh where are you now slutty Jade, I can't find you anywhere in MK or London. The place you were working in seems to have closed.

I remember your cute little figure, my hands in your knickers and squeezing your tits, my cock in your mouth and up your cunt fucking you from behind and spunking down your throat, Oh where are you now.

Does anyone have any information on this cracking little fuckbabe?
