The Story:

Welcomed in by a nice maid.

Yasmin was described as offering all services, so I booked her for a DOM session.

I couldn't believe it when she informed me it would be an extra ?10 for DOM, I should have just left there and then, I tried my best to get out and told her I will go back to my car to get the extra ?10 - i.e go home!

she clocked on and said no no, you can't go as this will eat into your time, she then asked me if I would drop off ?10 after my visit!

I reluctantly handed her over ?60 and got undressed

immediately she started to give me extended oral, bringing me on the edge very quick, I reminded her I wanted domination and found that she didn't really have a clue about domination!, even though she takes these types of bookings!

I tried to guide her, but this didn't suffice either.

I came pretty quick and at this stage I wasted ?60 and not got the service I wanted, plus she left a bitter taste in my mouth, as in the end she said 'as you came really quick you don't have to pay the extra ?10!'

Ironically after I had popped, she became very nice and became talkative, as she may have sensed

i was disappointed

this experience left me totally deflated and ruined my weekend. and i am now thinking if i should ever use the decadent divas/annabellas ever again, as i have had memorable times in the past here but this time i didnt get the service i came to expect.

Service Provider's Rebuttal

The establishment writes:

Im very sorry you had a sub standard appointment at Divas. All the ladies that I/we employ do not charge for extras, unless it is A level. Yasmine has been spoken to and is on a warning. Any further complaint about this issue will result in her being sacked on the spot. Please do feel free to contact myself or ask for the maid should you ever experience a poor service/charged extras as it is not the way we operate @ Decadent Divas.
