The Premises:

A new establishment in an industrial unit in handsworth, didn't know what to expect, but once inside, I would have to say it is one of the best establishments in Sheffield. Very clean, 3 large rooms with double beds, the VIP room is still under construction, and it has sauna and shower area. The layout has been well thought out.

The Lady:

Eva, well what can I say. She has a fantastic figure and was wearing a little French maids outfit, which was struggling to keep her fantastic boobs in check, with black knee length boots. FANTASTIC.

The Story:

Was greeted by the receptionist and introduced to Eva, the only girl working today, it was Good Friday after all, and then offered a drink. Eva gave me the grand tour of all the premises. Was informed that the black room was the only one not christened yet, so off we went.

Now I'm not going to go into everything detail, because what happens in the room, stays in the room. What I will say is that, Eva gives a fantastic 5 star service In the room

I don't want to big up Eva too much because I want her for myself.

Be good to her guys, she's one of the good ones.

Thanks Eva for making it a Fantastic Friday, and I will be back.
