The Story:

Knocked on the door to be greeted by Francesca, and what a sight. Resplendent in an orange (or red?) dress.

Money sorted and towel handed over Francesca said "ill be in the bedroom"

I entered and she was still in her dress, nice touch. She asked me to unzip her and I duly obliged. Lots of kissing and teasing as we lay on the bed, bra removed and condom applied (OWO not offered, didn't push it) I was hard, but the sensation was lost on me through the condom in all honesty.

Framcesa has a lovely body and I made myself busy. Knickers removed some more kissing and what seemed to be a well received bout of RO. More kissing and teasing as I took Francesca in doggy.

I slowed as I was enjoying it a little too much, Francesca flipped over for some more kissing, some more O and then I took her on her back. Legs up against my shoulders as I quickened I felt the rush and filled the nodder.

Suitably impressed with CI (even after the entry door confusion) and Francesca was a delight. Have to say I'd booked without looking at her age (19) and was a little taken aback. Not because she looked older, she didnt. Francesca didn't at all come across as someone as young as 19. More elegant, sexy and charming than silly teenager. Which is certainly a good thing.
