The Premises:

Usual place, nice room on the basement floor, discreet entrance etc.

The Lady:

Pretty mixed race girl, quite tall, was wearing nice lingerie, slim, leggy and busty.

The Story:

The entire experience was very mechanical, Leanne would periodically ask "what do you want do now". While that isn't necessarily bad, there was zero initiation on her part. All services were not available, there was no rimming (fair enough, many girls aren't into doing that), no french kissing, no fingering (she closed her legs when I put my hand down there), no 69, no RO, no facial, no CIM. As far as I can tell, the advertised 'all services' was limited to OWO and COB. Perhaps we just didn't click, but this is the first girl from HOD/Annabellas/DD that I wouldn't recommend.
