### The Premises:

Victorian style terraced house close to the London Road at Broad Green. Parking is via meter. Room was clean but only a single bed in my case. I believe there around 5 girls working here, so felt a little concerned.

### The Lady:

Pretty, 22 years old tanned skin and no hair at all, just like her profile pics. Dark straight hair and a few nice tattoos, including her eyebrows.

### The Story:

She started on OWO and seemed to have a good technique but eventually said that she will only do it with, despite me being scrupulously clean. I guess she does not like pre-cum. In fairness to her she did persist with the oral with for around 30mins but there was no GFE and I then assumed that CIM was out of the question.

Anyway I asked her to get on top of me so I could check out that 22 year old pussy, yes it was tight but her cowgirl style was rather lazy, after a few mins she got off to find that the red river had started to flow onto the condom so she changed it and finished me off with oral/wanking.

Another group of EE girls running a factory style operation that I will not visit again, she was very pretty though and a lovely figure.
