The Premises:

Spotlessly clean apartment in security controlled access building just a short walk from Three Bridges station. Very discrete.

Parking options a bit limited, but available with 5-7 minute walk.

Shower and fresh towels are available en-suite to the room

Might be worth pointing out that this place is used by other girls all advertising independently. They work different hours, but there is a small risk of bumping into another girl's client if your times coincide!

The Lady:

Tall leggy brunette from Russia with a fantastic body and sexy accent.

Friendly attitude and easy to talk to.

The Story:

Took a quick shower to freshen up and Karina made sure I had fresh towels etc.

Karina is a bit tall for me telling the truth - standing naked next to her I was a bit shorter than her so I quickly moved to the bed to level things out.

We started by giving each other massages. Her massage was nice, but perhaps too soft and not teasing enough so I massaged her and used the time to explore her whole body with my hands. Then some reverse oral on Karina which I think she enjoyed before finishing with oral on me. There was a little light kissing, but no full on DFK.

Another shower before I left.

All in all it was a nice session and I would be happy to see Karina again, but she might not be my first choice. This session just needed something else to blow my socks off ie, a little less reserve on her part perhaps with either french kissing or a sexier massage might just have improved the overall ranking.

To be fair I did not say anything so this is probably my fault.
