### The Premises:

My hotel

### The Lady:

Valentina is a fit super cute young (23?) über spinner. only downside is obvious implants but she is so exceptional below the boobs- as tight a package as I can remember.

Phillips is more classic Thai MILF with large natural breasts.

### The Story:

A bit overwhelmed by Valentina's package and behavior that I tended to give Phillipa short shrift. DATY, OWO, multiple positions of vaginal sex and doggy A with both ladies but more with V as she is as good as it gets- top notch BBJ, both holes equally and incredibly tight and enthusiastic about everything. P was good and helped move the activities along. I was impressed at their efforts to get the second cup out of me (after prolonged BBJ by V I finally released by a talented HJ by P while we overlooked V rubbing oil into her pussy). The two work well together and are obviously friends but whatever lesbian activity witnessed was of the going through the motions superficial stuff (seems Thai girls do not like the taste of pussy). When I was doing one the other was always trying to be helpful with a finger or a tongue. Fantasizing about ways to do V again- my new Spinderella.
