### The Premises:

Clean modern comfortable flat, easy parking on a Friday afternoon with several visitors spaces free and on-road parking permitted. Discreet and quiet. Nice area and very safe.

### The Lady:

Alexandria is mid-height, slim blonde with medium small breasts. Shaved down below and short-medium length straight blonde hair. Very attractive and with a nice smile.

None of the pictures on the website really capture her, but the closest is probably the one in the pink dress entitled 'sexy diva'.

### The Story:

After reaching the building, I phoned Alexandra to get the flat number and she buzzed me in. She greeted me in a very nice dress and after sorting out the money we sat in the living room chatting and snogging for a few minutes.

Then into the bedroom, where we kissed, snogged and undressed. For me it was a huge turn on to pull her panties off with her dress still on. She gave me oral (with condom at my request) which was visually stunning but not otherwise memorable. Then slowly and comfortably into sex, starting very gently and building up. Her cowgirl was awesome, very deep and with lovely internal movement and pressure.

In the end I didn't manage to come in sex, which happens to me if I hold on too long, but we she helped me bring myself off very nicely.

Overall a lovely experience.
